Studierendenberichte

- Lia Schmid (Mailand WS 2022/23)
- Leonie Boland (Australien WS 2022/23)
- Gregor Grab (Bergen WS 2022/23)

Forschungspartner

UNIVERSITÄT
HEIDELBERG
ZUKUNFT
SEIT 1386

4EU+ University Alliance

- Sorbonne University
- University of Prague
- University of Warsaw
- University of Geneva
- Copenhagen University
- Milan University

IWR International Partners

- African Institute for Mathematical Sciences (Kapstadt, SA)
- COMSATS University (Islamabad, PK)
- Chulalongkorn University (Bangkok, TH)
- Computational and Data Science Institute (Bangalore, IN)
- Robert-Bosch-Center AI (Chennai, IN)
- Jawaharlal Nerhu University (New Delhi, IN)
- ...

Hardware-Aware Scientific Computing

- **Want to spend a semester at the Indian Institute of Science in Bangalore, India?**
- Our partner is the **Computational and Data Sciences Institute (CDS)**
- CDS offers a comprehensive M.Tech program in Computational and Data Science
 - List of courses can be found here: <http://cds.iisc.ac.in/academics/mtechcds/>
- As part of a DAAD exchange program we offer **four fully-funded stipendships per year**:
 - Two students can spend one semester there to attend courses
 - Two students can spend three months there to conduct their master thesis under joint supervision with a colleague from CDS
- Open for master students in Scientific Computing, Computer Engineering, Computer Science and Mathematics
- **DAAD project ends June 30, 2024, so be fast!**
- For more information contact Prof. Peter Bastian (peter.bastian@iwr.uni-heidelberg.de)

Computational and Data Science Institute

heiAIMS – Cooperation with AIMS South Afrika

Three cooperation areas

- Joint teaching program
- Mobilities for students, scientists and staff
- Transfer activities (women in STEM, high school teaching)
- Each year ('23, '24, '25): 2 scholarships MSc Heidelberg (2 months internship)
